

Ancona Bench Seat

This product is supplied with integral feet that must be supplied to the floor.

Distance between pipe centres = width - 170mm

Pipe centres from floor = 150mm

This product is free standing so the pipe centre depth from the wall will depend on positioning.

Please note: Bench seats over 1300mm wide will be supplied with 3 feet.

Supplied as frame only, inner seat not included.

Important Note

The Radiator Company recommend that existing or new pipework is not adjusted until the radiator or towel rail is installed in its final position.
