

Moon

Cast Aluminium
660mm diameter disc.

Depth from wall = 140mm

Please note: Connections from pipe work is via flexi hose.

Please note: Due to the position of the electric element, a small section on the base of the Moon will not heat up, however this will not affect heat output.

Important Note

The Radiator Company recommend that existing or new pipework is not adjusted until the radiator or towel rail is installed in its final position.
