 Steel Multi Column 3 column with wall brackets only  
 CE approved, Eco Design  
 10 year guarantee on the radiator  
 2 year guarantee on the element

White RAL 9016

Made to Order: Up to 5 weeks

The Ancona electric ranges combine the classic Ancona design with the flexibility of a fully controllable electric element. Offering 8 function modes, the Ancona Electric can be set to operate when you wish, on a daily basis or you can select one of the three pre-set programmes. The Open Window function detects an open external door or window and will turn the radiator off if it which is allowing heat to escape so saving energy and money.
